Dubai UAE, December 07 2016: The fully sold out Phase 1 of Redwood Park at Jumeirah Golf Estates has been handed over, with owners now receiving the keys to their new award-winning homes.

Located on the edge of Jumeirah Golf Estates' Fire golf course, Phase 1 of Redwood Park comprises of three- and four- bedroom townhouses offering buyers access to the full array of facilities across the community. All Phase 1 units sold out in June 2015, prompting the developer to begin the construction of additional units as part of Phase 2, which has reached **15%** completion ahead of its Q4 2017 handover.

Lewis Allsopp, Chief Executive Officer of Allsopp & Allsopp was the first Redwood Park townhouse owner to receive his keys. Commenting on his brand new property, he said: "As a professional in the real estate industry, there are three things I look at when purchasing a property – location, quality and price. Redwood Park at Jumeirah Golf Estates fulfilled my criteria in all three, making it my first choice for a townhouse purchase.

"Upon reservation of the property, the commitment by Jumeirah Golf Estates was to deliver the keys by the end of the year, and they have delivered on this promise," concluded Allsopp.

Omar Al Mukhayet, Deputy Director – Projects of Jumeirah Golf Estates, spoke during the handover, "The handover of Phase 1 of Redwood Park is a major milestone for Jumeirah Golf Estates in our journey to cement our position as a world-class residential golf destination. We are developing a thriving community of residents and we look forward to welcoming our new neighbors, showing them all that there is to enjoy at Jumeirah Golf Estates."
